

Json::Writer

Json::Writer

Json::FastWriter

```
graph BT; A[Json::FastWriter] --> B[Json::Writer]; A --> C[Json::Writer];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'Json::FastWriter'. Two arrows originate from the top of this box and point upwards to two separate boxes at the top, both labeled 'Json::Writer'. This indicates that 'Json::FastWriter' is a base class or ancestor for both 'Json::Writer' instances.
